SONOMA COUNTY ADULT EDUCATION CORRECTIONS & RE-ENTRY PROGRAMS

Petaluma Adult School

Sonoma County
Office of Education

The Adult Education Corrections & Re-entry Program, is a partnership with Sonoma County Sheriff's Office & Probation Department. Provides education and training for current and recently released inmates.

Supports incarcerated students through the transition between Jail, Probation and SRJC academic programs and services. Refers previously incarcerated students to community resources, programs and services to assist with their stabilization and support their transition back into the community.

Classes offered at Sonoma County Adult Detention Facilities & Day Reporting Center

Adult Basic Education (ABE)

English literacy development in foundational topics such as reading, writing, listening, and speaking that covers content up to eight. ABE also includes mathematics in addition, subtraction, multiplication and division.

Adult Secondary Education (ASE)

High school subject matter for grades nine through twelve that leads to a diploma or preparation for equivalency examinations. Courses will be concentrated to three week periods covering one of the topics on the HSE examination, or that is required to receive a diploma. Students will be pre and post tested to determine literacy gains and readiness for the HSE exam (HiSet).

High School Diploma & High School Equivalency

Students who need less than 40 credits earn a High School Diploma. If more than 40 credits needed a High School Equivalency. Subjects needed for diploma or equivalency include: English, Math, Science and Social Science.

HiSET Testing

The High School Equivalency Test (HiSET) exam is the new alternative to the GED test, it can help you achieve the important state issued high school equivalency credential.

Post-Secondary Education (PSE)

Credit bearing coursework that leads to college degrees and technical certificates. Courses will be general education in nature and can be applied towards an associate's degree at SRJC. Whenever possible, courses may also be transferrable to the CSU/UC system.

Career & Technical Education (CTE)

Industry standards based coursework that trains students for jobs in specific industry sectors and may include industry certification. Industry sectors are selected based on local workforce need.

Workforce Preparation

Twenty-first century skills that address social-behavioral aspects of positive employee traits. This curriculum will complement current job seeking offerings by service providers and will prepare inmates for pre-release job counseling.
