

Item IV. DISCUSSION

Date: March 07, 2019

Regarding: CONTINUATION OF FOLLOW UP TO DEVELOP NEXT THREE-YEAR PLAN (2019-2021) FOR THE CONSORTIUM

Background: Legislation for the Adult Education Program Funding requires each consortium to have on file a three-year plan that details the programs and services to be provided to adult education students in the region. The new adult education plan for Sonoma County will cover 2019-2022.

Information: Committee members were sent the planning documents that the State provided to assist consortiums with the planning process leading to the development of their three-year plan. The documents are provided in PDF format with the agenda item. In addition, the consortium self-assessment document has been put into a response document, with the link provided for Oversight Committee members to provide critical feedback that will guide the Committee through the planning process.
